**Media Information Access Restriction
Notice to Parents:**

Media Coverage

From time to time Hueytown Fastpitch Softball both invites and receives requests from news media to visit our park to do a story about the park, one of it's teams or the players.

While we attempt to co-operate with the media wherever possible, we recognize there may be instances where publicity of this nature is not welcome by players and parents.

Therefore, parents who DO NOT wish their child(ren) to appear in a newspaper photograph or to be televised while involved in softball activities, please sign the statement below. IN ADDITION we strongly urge you to advise your child(ren)'s coach of your wishes at the start of the season. Every possible effort will be made to respect your wishes. Given that we are a Volunteer Organization and that Allison Bonnett (and other parks we play at) are PUBLIC PARKS we cannot be held liable for any photographs or video taken. This is just a way for us to be aware of and try to uphold your wishes.

Confidentiality

Except for the purposes of contact by a coach or member of the board, and registration with Alabama NSA and National NSA, Hueytown Fastpitch will not cause your child(ren)'s personal information to be released.

Hueytown Park and Recreation also audits our board every year. We MUST release your information to them as well.

Web Site

Through out the season, information about your child(ren)'s team may appear on the park's website (www.hueytownfastpitch.com). In addition pictures submitted by the team's coaches, parents, and players are sometimes posted.

Therefore, parents who DO NOT wish their child(ren)'s picture/name to be posted on the website, please sign the statement below and return it to us. WE STRONGLY urge you to inform your child(ren)'s coach at the beginning of the season with your wish. We will make every effort to ensure that your child(ren)'s picture or name is not posted.

Because it is a public park with over 200 children, we may miss a request. If your child is ever pictured or identified on the website and you wish it to be removed, please send the request to webmaster@hueytownfastpitch.com and we will immediately remove the information.

I do not wish my child(ren) to be involved in media coverage.

I do not wish my child(ren) to be identified or pictured on the web site.
